javaville

a Dr. Seuss themed coffee set

emotion

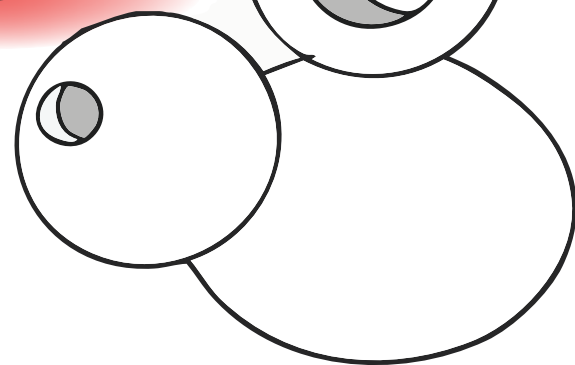

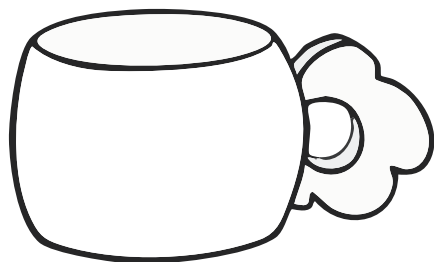

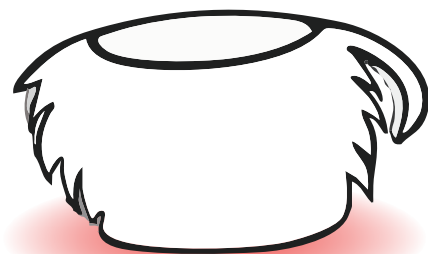

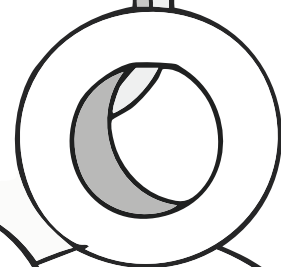

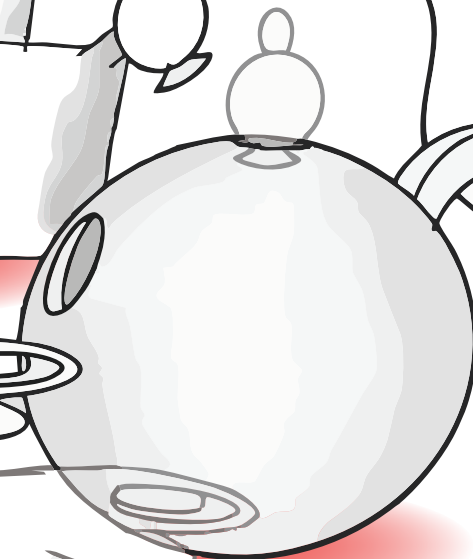

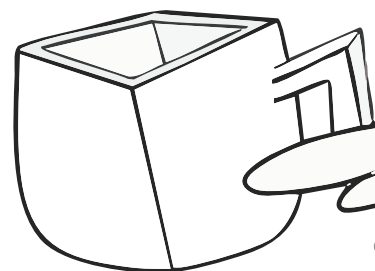

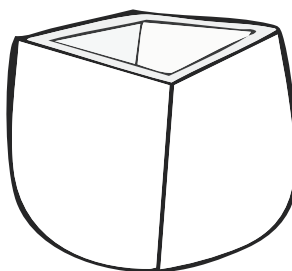

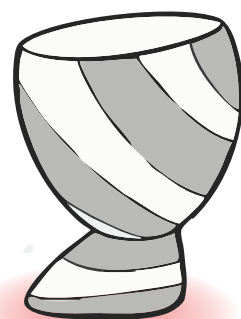

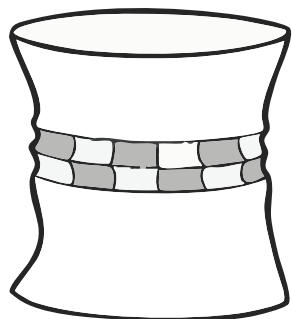

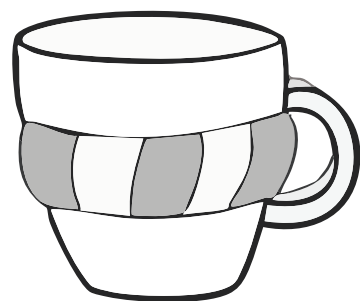

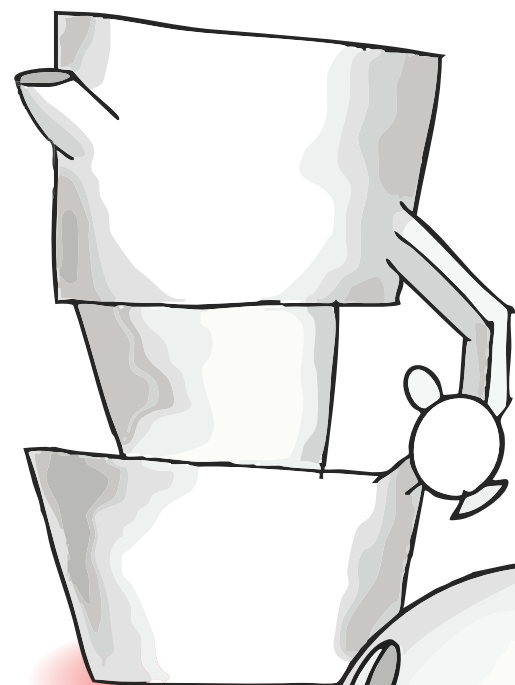

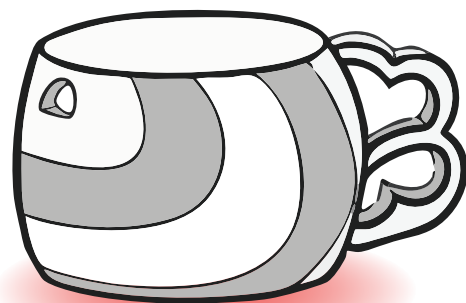

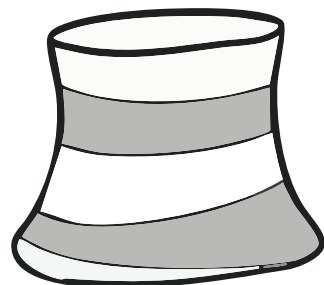

design a set that creates a sense of adventure, letting you escape from reality.

sense of place

design a set that forces an exploration of the imagination.

identity

design a set that embodies its own personality and stretches boundaries.

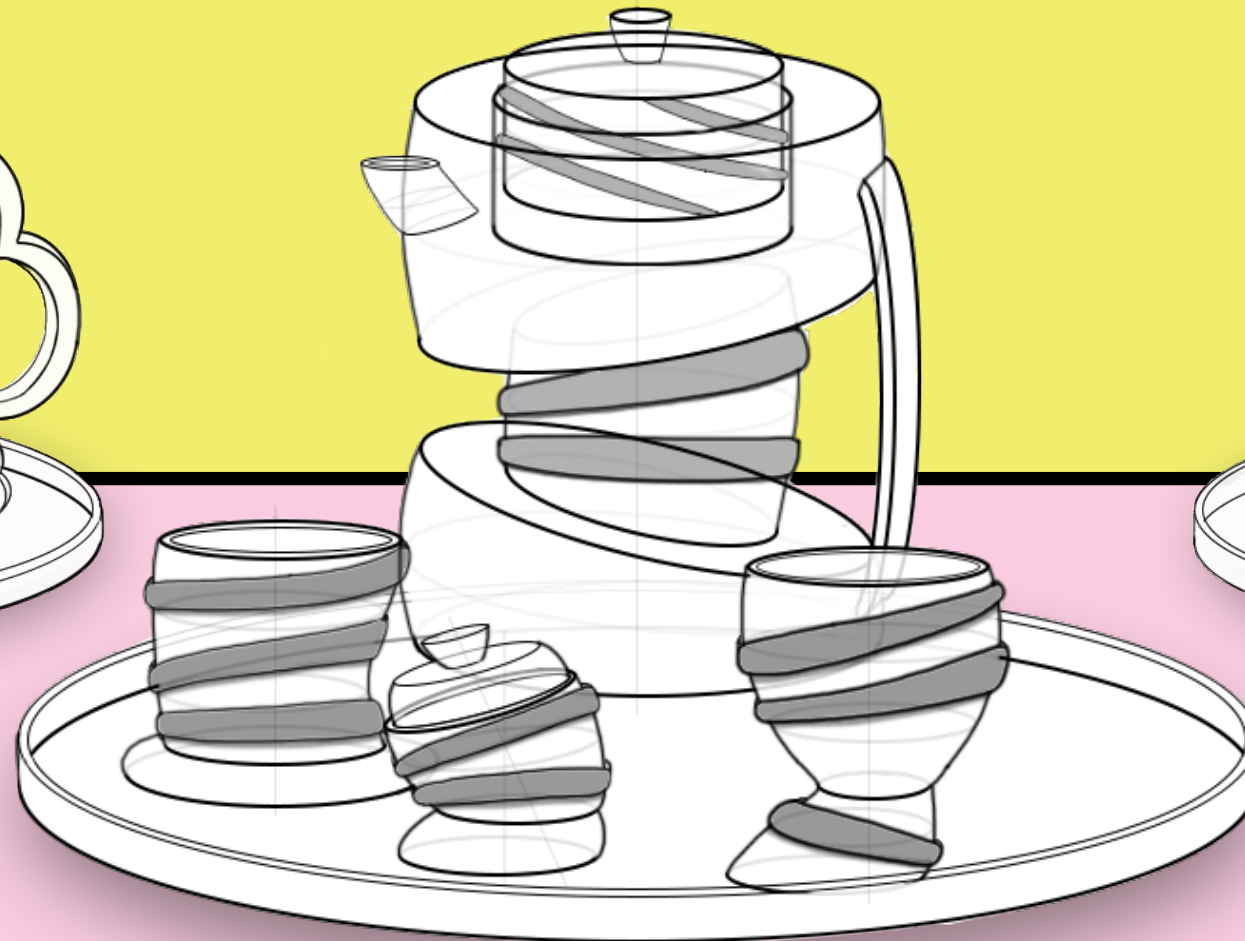

“why fit in when you were born to stand out?”

this set explores the use of asymmetrical shapes to create an unbalanced look while still having stability. it produces a creative flow that makes your mind wander and explore your imagination.
